After receiving the completed order, the Liszt Academy will send the invoice. The museum will send the requested digital images after the payment has been received.

Method of paying the bill: bank transfer.

## Declaration

### I the undersigned understand that

- copying of complete manuscripts is authorized only in exceptional cases; the copying of complete sets of holdings is never authorized; the copying of certain documents may be refused by the custodians of the collection without any comment, because of the bad repair of the document, work already in progress or for any other reason;
- in case of postal requests, the copies will be mailed and registered mail, but the risk of any damage during the posting of the material is born by the applicant.

### I engage myself

- to use the copies only for the above marked topic and purpose, and not to pass or re-copy them to anyone else without special permission from the custodians of the collection;
- to ask for a **special publication permit** if the copie(s) will be reproduced or used fully or partially in printed publications or the electronic media, if a sound or video recording will be published or if the copies will be exposed to the public
- to use the copies observing in full responsibility the detailed requirements of copyright legislation
- to send a free copy of the printed publications or recordings immediately after their issue to the Liszt Academy Library, and to send a free copy of my dissertation upon receiving my degree
- to settle the bill within 30 days after its date of issue.
